Re: Petition of AT&T Corp. for Forbearance Under  
Section 160(c) from Enforcement of "Deemed Lawful"  
Provision of Section 204(a)(3) of the Communications  
Act of 1934, as Amended, WC Docket No. 03-256

Dear Ms. Dortch:

On December 3, 2003, AT&T filed the above-referenced petition requesting the Commission to forbear from enforcing Section 204(a)(3) of the Communications Act (47 U.S.C. § 204(a)(3)), which provides that certain "streamlined" tariff filings by local exchange carriers are "deemed lawful" for purposes of determining the availability of reparations through the complaint process under Sections 206-208 (47 U.S.C. §§ 206-208). See Public Notice, DA 03-4076 (rel. December 24, 2003). On October 21, 2004, pursuant to Section 10 of the Communications Act (47 U.S.C. § 160), the Chief of the Wireline Competition Bureau, acting on delegated authority, extended the date by which AT&T's petition will be deemed granted to March 2, 2005. See Order, DA 04-3324 (rel. October 21, 2004). AT&T hereby notifies the Commission that it is withdrawing its forbearance petition, and by copy of this letter is also advising the Commission staff of that withdrawal.

One copy of this letter is being filed electronically with the Commission in accordance with Section 1.1206 of the Commission's rules.

Respectfully submitted,

*Peter H. Jacoby /ha*
